Hyperion Book CH, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: KYLIE: Mexico? What a nightmare! I should be putting the finishing touches on my valedictorian speech. Graduation is TODAY! Wait! Is this a wedding band on my finger? MAX: It started with Kylie's laptop and a truck full of stolen electronics and it ended in Ensenada. It was hot, the way she broke us out like some chick in an action movie. But now we're stranded here, with less than twenty-four hours before graduation. WILL: Saving Kylie Flores from herself is kind of a full-time occupation. Luckily, I, Will Bixby, was born for the job. And when I found out she was stuck in Mexico with dreamy Max Langston, sure, I agreed to bring their passports across the border but there's no reason to rush back home right away. This party is just getting started. LILY: This cannot be happening. It's like some cruel joke. Or a bad dream. I close my eyes and when I reopen them, they're still there. Max and Kylie Flores, freak of the century. In bed together. If Kylie thinks I'm giving him up without a fight, she's dead wrong.
