Brand New Book ***** Print on Demand *****.YOU HAVE MORE CAREER CHOICES today than anybody in history. You can be anything you want to be. Such an important decision-making process deserves thorough research and careful consideration. Take the time to do it right, and you could be rewarded for the rest of your life. Some people know what they want to do with their lives much earlier than others do. They are typically struck with a passion for something that never leaves them. When the time comes to start making big decisions, like choosing a college major and associated career path, they already know what they want to do. When asked, many airplane pilots say they always knew that they wanted to fly. Pilots have been imbued with a sense of adventure since the first dreamer with a set of artificial wings jumped off a building to prove a point. Aircraft are much safer today, but it still takes a special person to strap into the cockpit and take flight. Airline pilots shoulder enormous responsibility on a daily basis. A pilot on a long--haul flight...
