Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Madame Bovary: Provincial Manners, Gustave Flaubert, Mark Overstall, Margaret Mauldon, 'Would this misery go on forever? Was there no escape? And yet she was every bit as good as all those other women who led happy lives!' When Emma Rouault marries Charles Bovary she imagines she will pass into the life of luxury and passion that she reads about in sentimental novels and women's magazines. But Charles is a dull country doctor, and provincial life is very different from the romantic excitement for which she yearns. In her quest to realize her dreams she takes a lover, and begins a devastating spiral into deceit and despair. Flaubert's novel scandalized its readers when it was first published in 1857, and it remains unsurpassed in its unveiling of character and society. In this new translation Margaret Mauldon perfectly captures the tone that makes Flaubert's style so distinct and admired.
