Tigers, bears, panthers, leopards, and wild boar teem in the jungle, and the Arms Act forbids natives to have firearms. You would feel hungry. Millions of Hindus go through life without once having a full stomach. You would feel hopeless. Out of a thousand Hindus only fifty ever learn to read. Almost all are desperately poor - average income, five cents a day. As there is no democracy in India, if you were born low down in the social scale you must remain there. A rigid caste system, centuries old and sanctioned by the Hindu religion, forbids you to rise. But perhaps you would not feel at all, as it is more than likely that by this time you would be dead.
