

The Principles of Communism (Paperback)

Filesize: 4.65 MB

Reviews

*Absolutely among the best book We have ever study. It is actually writter in easy words instead of hard to understand. I found out this publication from my i and dad encouraged this book to find out.
(Kristina Rippin)*

THE PRINCIPLES OF COMMUNISM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Friedrich Engels (November 28, 1820 - August 5, 1895) was a German industrialist, social scientist, author, political theorist, philosopher, and father of Marxist theory, working in close collaboration alongside Karl Marx. In 1845, he published *The Condition of the Working Class in England*, based on personal observations and research. In 1848, he produced with Marx *The Communist Manifesto* and later he supported Marx financially to do research and write *Das Kapital*. After Marx's death Engels edited the second and third volumes. Additionally, Engels organized Marx's notes on the *Theories of Surplus Value* and this was later published as the fourth volume of *Capital*. Engels is commonly known as a ruthless party tactician, brutal ideologue, and master tactician when it came to purging rivals in political organizations. However, another strand of Engels's personality was one of a gregarious, big-hearted, and jovial man of outsize appetites, who was referred to by his son-in-law as the great beheader of champagne bottles.
