Michael O Mara Books Ltd, United Kingdom, 2011. Hardback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book. Every parent will be familiar with the cry for help that comes from their child when it s homework time. Many parents find themselves having to help a great deal with all subjects - yet with teaching methods having changed so much since their own schooling, it s often the parent who could use a helping hand. Homework Help for Mums and Dads takes the horror out of homework, providing parents with tips on how to get to grips with each subject and, most importantly, on how to pass that knowledge on to their child. From reading to fractions, Ancient Greeks to spelling games and times tables, this book includes shortcuts and tricks that will make subjects easier to grasp. It even includes tips on homework layout, writing practice and on how to make some subjects more fun by thinking creatively about each task set. Accessible and light-hearted in tone, this book will make school work more enjoyable for both parent and child. A must-have for families everywhere.
