Creativia, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The sun pounded down onto the beach like a solar sledgehammer, searing the fine, golden sand to the point that a few degrees more could easily have transformed it into glass. Palm trees wilted in the intense heat and nary a sea creature ventured from the cool, watery confines of its liquid lair. The wooden prow of a small seafaring craft hit the sand and a leather-booted foot stepped onto the shore. It s about time Ollie and the boys took a well-deserved break from the detective agency, and when Stitches wins a cruise in a competition at the Bolt and Jugular, it seems that fate is smiling down on them. However, what should have been a relaxing holiday turns into intrigue, mystery and mayhem on the high seas when our intrepid explorers find themselves entangled in yet another mystery, involving a rather bawdy, not to mention questionable band of pirates. Will Flug ever stop being seasick? Find out exactly what a poopdeck is. And discover there is no limit to what you can do when you re asleep. Join Ollie and the gang as they embark on The Quest for the Bone Idol.
