Conclusion Appendix Family disaster plans Making Biltong the traditional way Author Bio- Introduction This book is all about survival - survival of the fittest, survival during man-made and natural calamities and catastrophes, and how to cope with disaster. I will be telling you about historical and present-day examples in this book, about disaster management and about attitudes of people when faced with disaster. So this book is just not about managing a disaster on a personal level, it is How about coping and being prepared for disaster when and where it strikes. The 21st century, unfortunately, with its state-of-the-art technology and technical development is one of the most dangerous eras in the history of mankind. However much we talk about world peace, we know in our hearts of hearts that that will never happen, because then man will not have anything else on which to quarrel and argue with his fellow man. Good sense has never been the first priority of mankind when ambition and greed and ulterior motives of Ich Uber Alles lurks in the hearts of men. And that is his first instinct, conquer, rule, and destroy. Apart from man-made catastrophes, unfortunately, Nature has...
