

Child/home Early Language and Literacy Observation (CHELLO)

By Susan B. Neuman, Julie Dwyer, Serene Koh

Brookes Publishing Co. Multiple copy pack. Book Condition: new. BRAND NEW, Child/home Early Language and Literacy Observation (CHELLO), Susan B. Neuman, Julie Dwyer, Serene Koh, Developed by the nationally respected expert who helped establish Reading First and Early Reading First, "CHELLO" is the only observation tool specifically designed to rate the early literacy environment in home-based child care settings. A reliable, field-tested tool derived from the bestselling, classroom-focused "ELLCO", "CHELLO" has been carefully tailored to assess environments that include children of all different ages, from birth to 5 years. Administrators, program directors, and researchers will use "CHELLO" to develop accurate profiles of materials and practices in family/group child care settings, help providers improve their literacy supports and their interactions with children, and measure changes in the quality of environments over time. Shaped by extensive research on effective child care and literacy practices, the CHELLO Tool is easy for professionals with a solid background in early childhood education to use. In less than 2 hours, observers will examine the care provider's methods and interactions. The six-question Provider Interview gives users insight into how care providers interact with children, plan schedules, create learning opportunities, communicate with families, and monitor child progress. The ebook is great and fantastic. We have read and I also am sure that I am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
