

The ABCs with Mommy and Me: A Working Book: Exploring and Sharing Your Child's World with Art

Filesize: 3.94 MB

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Camille Larson)

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 88 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. The ABCs With Mommy and Me is a sharing experience for parents and toddlers during the early childhood learning processes. Life demands often make quality interactive time difficult yet that is exactly what parents and toddlers most want to explore the marvelous adventures of this quickly passing age together. Here you will discover hands-on ways to spend real quality and creative time with your child as a way to unwind yourself from a stressful day. Each and every child is a unique and precious person and a vital link in the vast and expanding circle of life. Small daily experiences form the foundations and feelings that make us who we will grow up to be so it is up to all of us to pitch in and lend a hand in this most sacred process of raising our children. A child can stress even the most attentive, educated and dedicated parent but if we all take responsibility and share in whatever ways we can it changes the experience for all of us in such positive ways. Imagination is the key to the world. It opens the doors in the mind, which builds a person who is visionary and flexible, able to adapt and create in a future that changes every minute. Quality, one-on-one time at explorative learning play helps your child build vocabulary and motor skills the vital life skills they will use again and again. Following simple directions (not more than two steps, ever) gives a child the ability to accept sharing with others, deal with frustrations and let-downs, and most importantly, learn to explore feelings and experiences and verbally share this in complete safety. It is here that children learn to how to negotiate and explore options which...
